THE REGULAR MEETING FOR THE VILLAGE OF EDEN BOARD:

1. CALL OF MEETING TO ORDER

The regular meeting of the Zoning board of appeals was called to order by Chair Bob Flood

Present were Bob Flood, Ann Geiger, Jim Pitzen, John Birschbach, Bill Abel, Cal Herrmann, Chris Herrmann, Kevin Goebel, Jay Baumhardt, Joe Preston, Kari Schlefke.

Pledge of Allegiance was said.

Roll Call was taken.

Cal Herrmann presented his plans to extend his current parking lot to his existing lot line closer to the roads of B and V. This expansion of the parking lot will be extended over the Village Ordinance of 10ft from the property line. The Village contacted the Fond du Lac County Highway Commissioner to make sure they were OK with that. Tom Jankes response was to stay outside any back slope of the ditch and at least a couple feet of the property line at minimum. He also mentioned he would not construct anything within 1 foot of the right of way.

The Zoning Board of Appeals approved unanimously to extend the parking lot taking into consideration the recommendation of the Highway commissioner.

Respectfully submitted,

Kari Schlefke
Clerk/Treasurer
