A motion was made by Joe Preston and seconded by Shea Stahl to approve the EJAA to put up a new batter's cage at the community park with the stipulation that something needs to be done with the old one. Either take it down and put a new one in its place or fix it and place a new one in a different spot. The concern was that the old one wouldn't get used and just sit there taking space without being utilized.

The board discussed possible dates to schedule the Board of Review with the assessor.
