

TOWN AND VILLAGE OF EDEN PARK COMMISSION MEETING

OCTOBER 19, 2021

Meeting was called to order by Cory St Mary.

A motion was made by Joe Preston and seconded by Carol Murphy to approve the minutes from October 19, 2020, annual meeting.

A motion was by Paul Tibbitts and seconded by Shea Stahl to approve the Treasurers report.

A motion was made by Lee Fowler and seconded by Joe Preston to keep the amount of Contribution for both communities at \$10,000.00.

A motion was made by Paul Tibbits and seconded by Todd Gitter to purchase a gift card in the amount of \$500 to Jean Ziegler for mowing the community park this past year.

The Ejaa gave an update of Accomplishments for this year. We received donations from Eden Stone and Graymont to cover the expenses for the two new score boards.

They received a donation of a nice used stove to be used in the concession stand.

They expanded the soccer program to include a traveling squad as well as 320 children in the recreational program.

They were able to order lights for the large diamond and are in the process of getting them installed from the many donations of time and talent and treasure that they have received.

With the ability to light the large diamond they were able to grow the baseball/softball program this past summer.

They anticipate having a Pony League, little league, two or three Junior Little League teams and one softball team as well as a couple of teams at both coach pitch and t-ball level.

A couple of things to be addressed before spring, Ed will look into the cost of a 20–25-gallon water tank for the concession stand, new GFI outlets in the interior of the concession stand, better fencing around the drainage ditch to keep children out of that area.

Another area of concern was overflow parking at the fields. Possibly looking into painting parking lines in the parking lot at community park.

A motion was made by Paul Tibbits and seconded by Shea Stahl to adjourn the meeting.

Respectfully submitted,

Kari Schlefke

Secretary/Treasurer
